

About our Product

✓ TRUE ODOR NEUTRALIZATION

Revitalize offers a Biodegradable, Non-toxic, Non-Irritating, Non-Flammable, Non-Carcinogenic odor neutralization to you! We permanently eliminate deeply imbedded odor. We do not mask offensive problems, but completely eliminate them through a safe blend of biodegradable ingredients that work through several chemical actions (including chemical bonding, physical absorption, counteraction, applied inhibitors and residuals)

✓ SAFE AND NATURAL

Unlike most competitive products, we contain No acids, alcohols, enzymes, or chemical fragrances. All of our products are safe for use on any surface and work through natural chemistry to eliminate, not mask or pair to odors in hopes to cover them up. We challenge you to find a better product for you use!

✓ READY TO USE

Designed to work in carpet cleaning and deodorizing equipment as a pre-soak, detergent or rinse additive. As a spray on hard surfaces in restrooms or other rooms found in schools, homes, hospitals and nursing homes. As a spray or soaker on upholstery, fabric, carpet, drapery, or used in laundry. Can also be used for on-going odor elimination as an additive to mop, sponge or sprayer applications.
